## HOUSE KEEPING

Could we ask that all rubbish is removed from the container at the end of each session, a quick sweep of the container will never go a miss.

## FUN SHOOTS

We will be holding 2 x Fun Themed shoots

Last year's event went from strength to strength, with many new moving targets to test your skills.

If you have any ideas or would like to build a target, please let us know.

## After Shoot Delights

Must not forget to mention our very own super Chef Les Headley, he never fails to delight us all with his hot delights after our club shoots.

Many thanks!!
